Physics Seminar

Spring 2009

Instructor: Dr. Michael Roth  
Office: PHY 313  
Phone: 319-273-7336

Class Times: Wednesdays, 4-5 PM, on days with a scheduled Physics Colloquium.  
Location: PHY 114

Course Requirements: 1) Attend Physics Colloquia; 2) Ask two questions of each colloquium speaker during the fall semester; 3) Present an 8-minute talk on some topic related to current physical science—presentation times at the end of the semester TBA.
